REASONS FOR ALLOWANCE. This is an Examiner's statement of reasons for allowance. The closest prior Yamauchi et al U.S. Pat. No. 5,613,109 discloses a data reproduction comprising a storage unit for storing element data.

JP406081525A, Nishi Kenichi discloses a controller of entrance into specific area.

IBM Technical disclosure Bulletin TDB-ACC-NO: NN910258 discloses a technique for initiating a conference call from a calendar database.

However, neither Yamauchi nor Nishi and IBM Technical Disclosure Bulletin singularly or in combination fail to disclose the recited feature:

As per claims 1, 13, and 15 " a comparator comparing the requestable calendar sales period of time with the present calendar time, and a requestor for submitting a request when said comparator judges that the present calendar time falls within the requestable calendar sales period of time, to the center for obtaining use of the content".

As per claims 9, 10, 18, and 19-23 " judges that the present calendar time data falls within said requestable calendar sales period or falls outside the requestable calendar sales period of time, and requests to the center for obtaining use of the locked content when the present calendar time falls within said requestable calendar sales period of time, and uses a key to unlock, serve and sell the locked content stored thereon when the present calendar time falls within said requestable calendar sales period of time".

As per claim 12 " judges that the present calendar time falls within the requestable calendar sales period of time or falls outside of said requestable calendar sales period

Art Unit: 3621

of time, and sends a requestor to request a key for the locked content if the judging determines the present calendar time data falls within said requestable calendar sales period of time, to the center for obtaining use of the locked content".

As per claims 16, 17, 24, and 25 " compares the requestable calendar sales period of time with the present calendar time, accessing said program, and using a requestor for submitting a request for a key when the requestable calendar sales period of time is compared with the present calendar time and the present calendar time falls within said requestable calendar sales period of time, the request made to the center for serving and selling use of the locked content".

EXAMINER'S AMENDMENT

2. Please amend claim 16 without prejudice.

Claim 16, line13, after present calendar time and delete "it is determined that".

Confirmed by Darleen J. Stockley Reg. No. 34,257.
